

SPARK Your SoulFUEL®!

Free 5-Day Challenge + Daily Giveaways

DAY 4

UNCOVER YOUR SOULFUEL SPARKS

"You were put on this earth to achieve your greatest self, to live out your purpose, and to do it fearlessly." - Steve Maraboli

Today, we unearth what I call, SoulFUEL® Sparks. These sparks serve as clues pointing you toward your SoulFUEL. They aren't the complete picture, but a start. As you move through these questions, you begin to feel sparks that hint at what your soul is here to do. These aspects of you begin to form themes that eventually all tie together perfectly into your SoulFUEL Declaration (done inside SoulFUEL Discovery). SoulFUEL Discovery is the **complete** solution to DEEPLY understanding what YOU are uniquely designed to do whether you are scaling, starting or pivoting your business. The process brings everything together in a truly remarkable way. In the meantime, let's get those sparks flying!!!

Here we go!

What subjects, topics or social issues make you angry, sad or get you emotionally charged in any way and why? Feel free to print and continue on the back of this sheet.

What warms your heart? What are you doing/reading/watching/hearing/observing when you feel warm and fuzzy inside?

When you were a young girl (up to 12 years old), what do you recall consistently tugging at your heart? Think of anything that moved you deeply - a book series, a person that had a positive impact on you, a fictional character you loved, a movie or TV program that made you laugh or cry...

As a teen, what kind of woman did you dream of becoming? What kind of life and work did you imagine for yourself? (It is perfectly fine for this to be very general.)

What kind of movies are you unable to stay away from?
What type of movie subject matter do you enjoy the most?

When you are in a bookstore or library, what section do you immediately go to?
What are the subjects or titles that irresistibly pull you in, every time?

If you had one hour to live (not to be morbid!), what would you tell your daughter(s) about life, or how you hope they will LIVE their lives?

If you were given only one task you could choose to fix in this world, outside of parenthood (assuming you have kids), what would it be?

When you are still and quiet, what comes to you FIRST in terms of business ideas or offers that light you UP? This is often a direction you feel prompted to go in - a Call toward the most fulfilling and FUELING line of work for YOU.
It is also something that REALLY excites you when you think about doing it.
Feel free to explore what comes up here.
(For now, suspend disbelief about whether or how you can make money at it.)

If you had only ONE sign to hold up to the world or one message to write in the sky, what would it say?

What are you running **toward** or feeling magnetized **to**? What draws you **in**?
*(Note: It is far better to feel pulled **toward** something rather than a sense you are running away from something you no longer want.)*

If you won the lottery today, what would you immediately want to do for your life's work? (*After you buy those gorgeous shoes you've been eyeing!*)

Take a moment to ponder and reflect...

...on what you have uncovered so far. Take your time, go back and fill in more thoughts, ideas and inspirations as they rise up. Print this so it is in front of you and see if you can begin to identify themes or patterns that are coming together. You can look for the repetition in your answers to find those.

YOUR ACTION STEPS FOR THE DAY

I invite you to share what is coming up for you in the Private Facebook group **even if** you aren't exactly sure how to articulate it (not uncommon). It is when we give our soul a voice and put words to where it is leading us that we actually begin to bring our new direction to LIFE. The act of writing alone often brings clarity.

Allowing community to witness our breakthroughs and cheer us toward the greater vision we have for our lives is incredibly powerful. You will notice as you share, even more clarity will come AND you will find the journey is a whole lot more fun sharing it!

Remember to also **report in** with the above to get credit for your progress, to be eligible for one of the prizes or simply to celebrate your insights with us!

If you are enjoying this journey, want to continue on after the challenge **to get the complete picture** and you are serious about getting complete clarity on; exactly what you are meant to do (your SoulFUEL®), your soulmate client, niche, specialty and your high level messaging to attract more clients, you'll want to seriously consider > SoulFUEL Discovery <.

In just 8 weeks, you will walk away knowing exactly what you are meant to do and in which business niche so you can make money doing what you love
or your money back.

Enrollment open April 10, 2023 - April 16, 2023.

you will be the first to be notified of BIG Early Bird Savings.
